Demonstration Against the Appearance of
Vice-President Hubert H. Humphrey
Labor Day Parade, New York City

To win these demands our labor movement must be free to act. Our workers must have more say in the unions. Our leaders must fight with us and not against. There must be more young workers and Black and Puerto Rican workers in leadership of unions. We can no longer allow our unions to be lead by leaders that support politicians that work against the interests of working people and give nothing but empty promises.

Let's bring back and strength and militancy that our unions need to win a better life for working people.

On September 3, 1968, SAS of the FBI, at 6:20 AM, observed a crowd gathering in front of the USAFIC, supra.

At 7:00 AM, a picket line was conducted in front of the Induction Center manned by approximately 125 pickets who carried signs which stated:

"U.S. Get Out of Vietnam",
"No Draft for Vietnam",
"End the Draft Now",
"Billions for Life Not Death",
"Bury the Bombs Not Our Boys",
"Support Mark Lyons",
"Women Strike for Peace",
"The Draft is In Violation of the 13th Amendment"

At 7:30 AM, several speeches were delivered which included talks delivered by Irma Zigas, self-described as Chairman of the Anti-Draft Committee for Women Strike for Peace; Father David Kirk, announced as coordinator of Emmaus House, a community project; James Forest, announced as National Secretary of the Catholic Peace Fellowship, and Mark Lyons, announced as the Director of the program "Conscience and the Draft" for the American Friends Service Committee. The speeches delivered were generally anti-Vietnam and anti-draft.

Lyons thanked the individuals present for their support and announced that he would refuse induction into the Armed Forces.

At 7:45 AM, loaves of bread were distributed to the pickets to "honor their freedom to choose peace over war and life over death".

Lyons then attempted to enter the Induction Center carrying a loaf of bread and a glass of wine. He was immediately advised by army officials that he would not be allowed to enter the Induction Center carrying an alcoholic beverage. At this point, Lyons consumed the wine and then entered the Induction Center without incident. The picket line continued until 8:00 AM, at which time the crowd dispersed.

WE ARE HERE IN SUPPORT OF MARK LYONS

Mark Lyons has been refused deferment as a conscientious objector. On October 16th, 1967, he returned his draft card as he felt he could no longer cooperate with a punitive and manipulative selective service system. He was reclassified 1A delinquent and has now been called for induction.

STATEMENT BY MARK LYONS

"I must totally non-cooperate with the attempt by any government to conscript my conscience, and thus claim the right to order me to destroy another man. My refusal of induction is not a negative act; rather it is a celebration: an act of affirmation of the priority of human life over all other values."

Women Strike for Peace is here to say that in accord with our DECLARATION OF CONSCIENCE we fully support his decision and commend him for this courageous stand.

WE URGE ALL WOMEN TO STAND WITH US IN SUPPORT OF MARK LYONS

PLEASE NOTE - We are here in support of Mark Lyons - not to demonstrate against the police. Be courteous and friendly. We have no reason to expect violence since this is a peaceful demonstration of support.

Brothers and Sisters:

Today I am part of a group of young men about to be "accepted" into the United States Army. However a minimum of human values on my part makes it impossible for me to return the compliment. It is not simply that the present war in Viet-Nam violates the spirit of International Law, the Constitution of the United States, and every ethical code devised by man, but more fundamentally, military life is the negation of every decent aspiration of mankind.

Many centuries ago an ancient Hebrew prophet dreamed that one day man would no longer waste his energies learning the art of war. More recent activists such as Ghandi and Martin Luther King have taught that this dream can only be fulfilled if individuals are willing to articulate a peaceful existence with their life. My act today is simply saying that I refuse to learn the technology of modern warfare. I do this not out of any innate non-violent quality but rather from fear of my own violent tendencies. I have no need to learn the U.S. Army's modern sophisticated art of self defense because I do not plan to exploit my fellow man. Only those who so avariciously exploit their brothers need such a rigorous program of self defense, which has become the most aggressive and destructive program known to man.

If I am imprisoned for my act today, my crime is refusing to learn the technology of modern warfare. If American society considers this a criminal act, then I ask you, what and where is justice?

On Thursday, September 5, 1968, Steve Siegel will refuse induction into the U.S. Army, at 7 AM at the Armed Forces Examining and Induction Center, 39 Whitehall Street, New York City.

Mr. Siegel burned his draft card publicly on April 15, 1967. This act symbolized the beginning of his non-cooperation with the Selective Service System. He was re-classified 1-A delinquent in March of 1968 and has now been called for induction.

He is a graduate of New York University (Heights) and is currently enrolled as a candidate for a M.A. degree in political science at the New School for Social Research.

A demonstration has been called by the New York Resistance to support Mr. Siegel in his decision to refuse induction at 7 AM Thursday.

[REDACTED], a conference of members of the Communist Party, USA (CPUSA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

[REDACTED] that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. Du Bois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention.

[REDACTED] that [REDACTED] stated that in Negro communities the Party still supported the plan to build "left" socialist centers and to solidify the Party base through the DCA. [REDACTED] that

[REDACTED] stated the Party believes the DCA should have a working class outlook and be a mass organization favorable to socialism, socialist countries and Marxism, and in April, 1967, GUS HALL, CPUSA, General Secretary, indicated that the DCA primary emphasis should be on developing mass resistance to the draft.

[REDACTED] on September 10, 1967, near the conclusion of the Third National Convention of the DCA held in New York, New York, from September 8-10, 1967.

TO DENVER, COLORADO, SEPTEMBER 9, 1968

Characterizations of the Denver Branch, SWP, and the Denver Chapter, FPCC, appear as appendices hereto, and the sources mentioned therein have furnished reliable information in the past.

Special Agents of the Federal Bureau of Investigation observed about 50 individuals assemble in front of the Denver Hilton Hotel at about 5:00 P.M., September 9, 1968, and march up and down the street in front of the Hilton carrying anti-war placards and signs critical of Vice President Humphrey. These individuals marched until 6:00 P.M. and then disbanded without incident.

Special Agents identified the following persons as participating in the marching:

[REDACTED] b7c
[REDACTED] b7c
[REDACTED] (G) b7c

A characterization of the SDS appears as an appendix hereto.

Special Agents observed [REDACTED] pass out a leaflet captioned, "The Meaning of Law and Order," a Xerox copy of which is attached to this memorandum. b7c

Following the arrival of Vice President Humphrey at the Hilton Hotel, he addressed a closed meeting of delegates attending the convention of the United Mine Workers. He appeared at an open forum meeting in the grand ballroom of the Hilton from 7:30 to 8:20 P.M. which was open to the public.

VISIT OF VICE PRESIDENT HUBERT H. HUMPHREY
TO DENVER, COLORADO, SEPTEMBER 9, 1968

Special Agents observed a number of the individuals who participated in the demonstration outside the Hilton Hotel in attendance at the open forum. [REDACTED] was observed to pass out ^{b7c} a mimeographed leaflet, "An Open Letter to Vice President Humphrey," a Xerox copy of which is attached to this memorandum.

Following opening remarks, Vice President Humphrey answered written questions from the floor and at the conclusion answered several oral questions from the floor, one of which was propounded by an unidentified individual displaying a banner for the Peace and Freedom Party. This individual referred to American plans for dropping napalm in Guatemala and expressed sympathy for the little country of North Vietnam. Some other minor heckling occurred from anti-war protesters during the appearance of Vice President Humphrey; however, no incidents occurred.

SUGGESTIONS:

- 1.. Placards are O.K. for outdoors, but if you want to get close or have a sign indoors, we suggest drawing your sign on a piece of sheet with felt pen. Fold like a handkerchief to get to where you want to display it.
2. Write out your questions for these called Citizens Forum. Make them short and pertinent and embarrassing as hell. You'll then be prepared for either verbal or written questions and won't be at a loss for words.
3. This man speaks with a forked tongue. But let him answer the questions without interruption. Then, if appropriate, shout your response - That's not true - Liar - Answer the question. Or maybe just groans.
4. He may only answer safe questions. In that case, we'll have to figure out what to do on the spot.
5. We are born free, but this government is making us slaves. Slaves to fight a non-war in a non-country! Slaves to secure the power and profits for a few! And then a guy like Humphrey has the gall to come out against demonstrations and for "constructive activity"! We say the most constructive thing we can do is whatever will get us out of Vietnam. People in Washington talk about a 102 billion dollar military budget in 1970! And of pacifying United States cities! They have got to be stopped!

THE MEANING OF LAW AND ORDER

CHICAGO STYLE

A CHICAGO POLICE FESTIVAL THAT SHOOK THE WORLD!!!

VOTERS! Yours' is the last word. Are you going to accept a candidate for president of the U.S.A. chosen under circumstances that resemble a concentration camp? This is what happened in Chicago in August. Barbed wire fence, Secret Service, F.B.I. Agents, U.S. troops, National Guard and Police. The terror, beatings, crushing of human skulls, arrests and blood smearing the streets of the windy city. All of us and the world read about it and saw it with horror on TV. The Racists, organized by the forces of reaction, LBJ, Mayor Daley and Wall Street, the selfish men who pile up mountains of profits out of the Vietnam War wanted to intimidate the millions of concerned people who CRY OUT TO STOP THE WAR!

What difference is there between a Humphrey, a Nixon and the vicious racist George Wallace? All three of them - including Mayor Currigan and Governor Love - support "Law" and "Order", Wall Street Style. All of them support the undeclared and shameful war in Vietnam. They also support and are partly responsible for the exploitation, terror, assassinations of those patriots who dare to protest in Mexico City, Guatemala, the Dominican Republic, other Latin American Nations and many other parts of the world.

The forces of reaction and selfishness have not had the last word. They have won the nominations of their puppets: Wallace, Nixon and Albert Humphrey, but they cannot and will not halt the forward surging mass movement of the American People for a reversal of this nation's disastrous course! The people will shape new means: UNITY, BASED ON A COALITION OF FORCES, RELIGIOUS, POLITICAL, WOMEN, BUSINESS MEN, UNORGANIZED AND ORGANIZED WORKERS AND COMMUNITY GROUPS - for forcing the wealthy ruling class and their stooges in government to halt the war in Vietnam, to end poverty in this the richest nation in the world, to end racism and to achieve LIBERATION for all the people, Black, Brown, Red, Yellow and White!

YOU DO HAVE A CHOICE!!!

CHARLENE MITCHELL, age 38, a Black woman, is a candidate for President, and

MIKE ZAGARELL, age 23, White and College Graduate, is candidate for Vice-President, for the COMMUNIST PARTY, U.S.A.

Mrs. Mitchell will be in Denver on October 10th, and 11th, during her tour of the nation. Any group interested in organizing a meeting to hear Mrs. Mitchell present the Communist Party Platform, may get in contact with the National Campaign Office, 23 West 26th St, New York, N.Y., 10010, Phone 212-685-5755 or here in Denver, P.O. Box#55 Highland Station, 80211. Phone 477-6270.

Protect the constitutional right of the Communist Party. Call 477-6270 if you desire to help financially or/ and sign the petition to get them on the ballot. You must sign before September 20th. You do not have to vote for them if you sign the petition.

An open letter to Vice-President Humphrey

Dear Vice-President Humphrey:

You are scheduled to answer questions at a Citizens' Forum in Denver today. We, as citizens, would like you to answer the following questions:

1. Since you advocate free elections, why did you not object when the legally elected government of Guatemala was overthrown with the assistance of the C.I.A. in 1954? Or when the legally elected government of Jagan in Guyana was overthrown with the help of "labor leaders" trained in a labor school financed by the United States government, labor unions, and certain industries? Or when the government of Bosch in the Dominican Republic was toppled with the help of certain elements of the United States government? Or when the elections called for by the Geneva Agreements were not held in Vietnam in 1956.

2. Since you want law and order, why haven't you objected when the United States government has broken laws? To refresh your memory, we mention a few examples connected with Vietnam:

a. The SEATO Treaty, which permitted foreign intervention only with the authorization of the United Nations Security Council.

b. The United Nations Charter, which states that only the Security Council can determine the existence of an act of aggression.

c. The Constitution of the United States which states that only the Congress can declare war.

d. The pledges of Eisenhower, Kennedy, and Johnson to aid South Vietnam which have been used as justification for our aggression in Vietnam. These pledges have never been ratified by the Senate, are not treaties or laws, and have no standing whatsoever when compared to the United Nations Charter or the Constitution.

3. Since you believe in democracy, why didn't you strongly object to the undemocratic procedures at the Democratic National Convention in Chicago?

4. If you give seemingly adequate answers to the above, how can we believe what you say when you have not objected to the lies and half truths palmed off on the American people by government officials from the president on down?

5. Since a forum such as this is totally inadequate for us to thoroughly discuss with you the war in Vietnam so that you might relieve our doubts about that war, and since there are millions throughout the country who feel as we do, we request a public discussion of the war between you and a person of our choosing at a time and place of your choosing, except that we need a week's notice to arrange for our speaker. We can be reached at Post Office Box 86, Denver, Colorado 80201. Such a discussion would be a public service to the country on your part.

Sincerely,

DENVER STOP THE WAR COMMITTEE

STUDENTS FOR PEACE (SFP)

The April 5, 1965, issue of "The Pitt News," a student newspaper at the University of Pittsburgh (UP), Pittsburgh, Pa., contained an article announcing the formation of a new student organization called "Students for Peace" (SFP). The article described SFP as a pacifist group, acting as an information center, which hoped to emphasize the importance of "seeking non-violent solutions into both international and domestic crimes." The article further stated that the organization grew out of the desire of several University pacifists to present students normally opposed to war with an alternative to "ROTC now or draft later."

[REDACTED] advised that at the first meeting of SFP during the 1965-67 school year on September 13, 1966, [REDACTED], stated that SFP is not a pacifist group and anyone who expected it to be so could leave the meeting. [REDACTED] said the past president was a pacifist, but he would lead the organization as a militant group. He stated that it was not the purpose of the SFP to do only what the University allows, but since SFP was the only radical group on campus, they intended to do whatever they felt necessary to express the radical viewpoint. b7d

[REDACTED] advised that efforts by the Communist Party of Western Pennsylvania (CPWP) to infiltrate, dominate, control or influence policies of SFP have, for the most part, been unsuccessful to date. [REDACTED] the CPWP has been interested in SFP since its beginning and has made efforts to recruit members of SFP into the Communist Party Youth Club (CPYC) and succeeded in recruiting [REDACTED] b7c

POSSIBLE DEMONSTRATIONS AGAINST
APPEARANCE OF VICE PRESIDENT HUMPHREY
IN LOS ANGELES, SEPTEMBER 9 and 10, 1968

[REDACTED] that there was a ^{b7d} possibility that the DAC would demonstrate at Thompson-Ramo-Wooldridge, Incorporated (TRW) on September 10, 1968 to coincide with the appearance of the Vice President there at 12:00 noon.

On September 9, 1968, Special Agents of the FBI observed no demonstration in the area of the Ambassador Hotel, Los Angeles. Vice President Humphrey arrived at the hotel at approximately 11:15 p.m. without incident. A small crowd was on hand at the hotel; however, no picket signs were observed and none of the individuals, in the crowd, were recognized as participants in previous demonstrations. Contact with Secret Service, Los Angeles, at the Ambassador Hotel, determined that no unusual problems were encountered at Los Angeles International Airport upon the Vice President's arrival at approximately 10:30 p.m. on September 9, 1968.

On September 10, 1968, Vice President Humphrey spoke to a crowd, estimated at 3,000 to 3,500, at TRW, Redondo Beach, California. Special Agents of the FBI observed no demonstration in the area of the TRW facility. The Vice President's speech was delivered outdoors on the mall of the TRW site. Some anti-Humphrey signs were observed in the crowd; however, these appeared to represent the efforts of individuals rather than any organized group. The Vice President concluded his appearance at TRW at approximately 2:00 p.m.

Vice President Humphrey departed Los Angeles International Airport at approximately 2:45 p.m., September 10, 1968, via Trans World Airlines (TWA) Charter, destination Houston, Texas. No demonstration was observed in the vicinity of the West Imperial Terminal of the Los Angeles International Airport on September 10, 1968.

The September 11, 1968 edition of the "Los Angeles Times", a Los Angeles daily newspaper, carried a photograph and an article concerning an individual by the name of John Caton, a 23 year old student at the University of California, Berkeley, California (UCB). The article alleges that Caton

"manhandled" Vice President Humphrey while the Vice President was shaking hands with well wishers upon his arrival at the Los Angeles International Airport on the evening of September 9, 1968. According to the article, Caton grabbed the Vice President, while shaking hands, and attempted to hold the Vice President while he spoke to him. The article states that, at this point, "Three Secret Service agents moved in and beat the young man to break his grasp on Humphrey." Caton was wrestled to the ground and reportedly yelled to Humphrey "You bastard you." The article goes on to say that Caton was released after he had explained to the agents that he only wanted to discuss the Democratic Convention with the Vice President.

On September 11, 1968, [REDACTED] Secret Service, Los Angeles, advised that the incident appears to have been exaggerated by the "Los Angeles Times" newspaper. [REDACTED] advised that Caton was determined to speak with the Vice President and climbed over the fence at the airport. In doing so, his sign bumped one of the Secret Service agents and Caton and the agent fell to the ground. Caton was forcibly placed back on the spectator's side of the fence. No arrest was made. [REDACTED] advised that there was no indication that Caton intended to assault the Vice President. b7c

VISIT OF VICE PRESIDENT
HUBERT H. HUMPHREY
BUFFALO, NEW YORK
SEPTEMBER 17, 1968

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 7-16-82 BY SP23 CLK/90

Vice President HUBERT H. HUMPHREY arrived at the Greater Buffalo International Airport at approximately 10:20 a.m. on September 17, 1968 and motored directly to Canisius College, 2001 Main Street, Buffalo, New York, where it had been announced that he would make a speech before the student body and submit himself to questioning.

Approximately one hour before the Vice President arrived, a group of demonstrators, the majority of whom had arrived from the campus of the State University of New York at Buffalo (SUNYAB), appeared and began a picket line at the Main Street Entrance to Canisius. The number of demonstrators grew to an estimated 175 and at approximately 10:10 a.m., the group moved to Hughes Avenue to be closer to the Student Center where the Vice President was to appear. Police barricades previously set up contained the demonstrators so that they were approximately 75 yards to the west of the Student Center entrance. There were approximately 80 placards and banners being carried by the demonstrators and the only sponsoring organization observed was that of the Youth Against War and Fascism (YAWF).

YAWF and the Workers World Party (WWP), with which it is connected, are described in the Appendix pages attached.

Although Vice President HUMPHREY was subjected to questioning following his speech in the auditorium at the Canisius Student Center, some of which was hostile in

tone, there were no incidents of any sort and he and his cavalcade then proceeded to the Delaware Avenue Entrance of the Statler-Hilton Hotel where it had been announced in the press that he would speak before two different luncheon gatherings.

The demonstrators, who had been present at Canisius College earlier in the morning, had withdrawn from that school area at approximately 11:15 a.m. and about one hour later, had taken fixed positions on Delaware Avenue just to the south of the Statler-Hilton entrance. By this time, the demonstrators were intermingled with those whose dress indicated them to be HUMPHREY supporters and with casual bystanders. It is estimated that the number of demonstrators at this point was approximately 75 and there were approximately 25 anti-HUMPHREY signs being carried.

When the Vice President arrived at the hotel entrance at approximately 12:55 p.m., the demonstrators began a continual chant and they repeated over and over the theme "Dump the HUMP" and "HUMPHREY Lies--G.I.'s Die." The Vice President attempted a four-minute speech and referred to the "monolithic chanters," who were attempting to prevent his talk. He concluded his brief speech amid mingled cheers and hooting. He then entered the Statler-Hilton where he made two different addresses before groups already assembled.

After the Vice President entered the hotel, the demonstrators began to withdraw

The HUMPHREY cavalcade later on the afternoon of September 17, 1968 proceeded to the Studios of WGR-TV on Barton Street where a 30-minute television tape was filmed. There were no demonstrators and no incidents of any sort and shortly after 4:00 p.m., the Vice President was driven to the Greater Buffalo Municipal Airport where his plane departed at 5:09 p.m. en route to Rochester, New York.

SEPTEMBER 17, 1968

Upon arrival in the latter city, Vice President HUMPHREY addressed an audience of approximately 1,500 within a terminal at Page Airways. Prior to his arrival, an estimated 200 anti-HUMPHREY and anti-Viet Nam demonstrators gathered outside the building in which the Vice President's speech was to be given. The group chanted phrases, including "Dump the Hump," but there were no incidents of any sort and none of the demonstrators attempted to enter the building in which the Vice President was to speak.

Vice President HUMPHREY departed Rochester, New York, for Washington, D.C., at 8:42 p.m.

Throughout the Vice President's stay in Buffalo and Rochester, there were no incidents of violence and no arrests were made.

WORKERS WORLD PARTY

[REDACTED] that on February 12, 1959, a Socialist Workers Party (SWP) minority group under the leadership of [REDACTED] split from the SWP.

[REDACTED] minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of LEON TROTSKY and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery--individuals characterized by the minority as petty-bourgeois. b7d

The minority program, according to source, advocated unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

[REDACTED] advised this minority group had chosen the name Workers World Party (WWP).

[REDACTED] advised the WWP, which maintains headquarters at 46 W. 21st Street, New York City, New York, supports the People's Republic of China in its ideological dispute with the Soviet Union.
